

Grafton Harbor, Grafton, IL In October 2007, **North American Marine Industries, Inc. (NAMI Docks)** was awarded the contract for the slip additions to (3) of Grafton Harbor's hip roof docks. Despite severe winter weather, NAMI's installation crew completed the project 30 days ahead of the scheduled completion date of 3/30/08. The folks at Grafton Harbor were excited the project was completed early and sent this response to the customer satisfaction survey: *"Thanks so much! Everything is wonderful and your crew did a fantastic job. They worked right on through the coldest conditions and never complained!"*

The project consisted of the following: **H Dock**-(3)- 20' x 54' and (3) 20' x 60' covered slips and **C Dock**-(10)- 14' x 34' and (10) 14' x 36' covered slips. For more information on NAMI Docks visit their website: www.namidocks.com.

Grafton Harbor is located in the center of historic Grafton, Illinois with boater-friendly amenities galore. It is every boater's delight to see the selection of restaurants, wineries, and exciting activities that Grafton has to offer, all within walking distance!

Nestled in beautiful bluffs and the confluence of the Mississippi and Illinois Rivers, the marina can be reached by vehicle by taking the Great River Road (Route 100) 13 miles west of the Lewis and Clark Bridge in Alton, Illinois. You may also choose to take the Grafton Ferry across the river from Historic St. Charles, Missouri. Check out their website to see their great marina: www.graftonharbor.net
